

5. Please provide on a country by country basis a breakdown of all U.S. government personnel, by Agency or Department, and whether direct or indirect hired, who are stationed overseas. Please indicate in a separate category the number of U.S. troops stationed overseas, country by country. Also please indicate the cost for each personnel category for each country.

4. Please indicate how many people in each personnel category are involved in each foreign assistance program including military aid and military credit sales:

A - In the U.S. by direct hire, by participating Agency service agreement and U.S. contract.

B - Overseas according to (1) direct hire, U.S. nationals and foreign nationals, (2) participating Agency service agreements, and (3) U.S. contract.
